

Presents

YOUR FOOD SOLUTIONS PARTNER

A TASTE OF TASTE'L

WHO ARE WE?

Taste'L Fine Food is a food manufacturer that serves a variety of processed & packed cuisines across the world. We offer food options that are hygienic, tasty and rich inauthentic flavors since the past **16 years**.

OUR VISION

To be the leading manufacturer and preferred provider of food products by virtue of exciting brands, superior taste, innovative packaging and highest quality of ambient and frozen products whilst being committed to ethical business practices in **international as well as domestic markets**.

WHAT WE DO?

We have state-of-the-art manufacturing plants at Karad (ambient unit) and Nashik (frozen unit) that produce a wide range of highest quality **Ready-To -Eat** and **Ready-To - Cook** products.

OUR MISSION

To manufacture healthy and nutritive products, through continual research and innovations, by applying technical training and adhering to health and food safety standards, with a view to exceed customer expectations with **Premium Quality Products and Services**.

Product Capability

We continually work to improve every aspect of production with technology, equipment and practices that ensures and improves product manufacturing and consistent quality.

Taste'L combines integrated state-of-the-art processes and protocols with a commitment to produce and deliver good and safe food products through world-class frozen, retorting and pasteurization processes. Our current ambient and frozen plant capacities are 3,000 MT and 1,400 MT per annum respectively

READY MEALS

MEAL KITS

DIPS

A woman with long brown hair is sitting at a table in a cafe, holding a fork with a bite of food. The table is set with a yellow cup, a bowl of food, and some bread. There are green plants and warm lights in the background. The text 'Thank You!' is overlaid in large red letters on the left side of the image.

Thank You!
